Annual Report

FOR SEASON 1912.

To the Members.

Ladies and Gentlemen,—

It is with very great pleasure that we present to you for your approval and adoption the Twenty-eighth Annual Report, accompanied with a signed copy of the Balance-Sheet for the same period, audited (as provided for by Rule 18 of the Club's constitution) by Mr. William Wells, A.I.A.V., Melbourne.

The season of 1912 has been a most remarkable one from all points of view. Without going into all the merits of the case or discussing all its many details, we wish to draw your attention to the last annual meeting of the Club, held on Saturday, 22nd March, 1912. That meeting will be long remembered as being without doubt the most memorable one in the history of the Club. Never was public feeling stirred up to such an extent, and for months afterwards it served as a topic amongst the followers of football throughout Victoria. Early in December, 1911, it was decided that something of a drastic nature would have to be done in order that a change be made in the management of the Club. A reform party was formed to contest the seats upon the executive. The public took the matter up and supported the reformers to such an extent that the whole of the old executive were swept out of office. Every one who stood on behalf of the reform party was returned by overwhelming majorities. It was recognised that a complete change was absolutely necessary if the best interests of the Club were to be studied, and this desire was successfully consummated.

Upon taking up the reins of office your new Committee were confronted with difficulties of the most extraordinary character. They were unable to obtain the books of the Club, although repeatedly asked for; unable to obtain the names and addresses of the members, and unable to obtain even the names and addresses of the players. Not the slightest assistance came from the previous office-bearers, and there was practically only half a team to start the season with. It is not perhaps wise to dwell upon all the many obstacles which were

thrown in the way of the newly-elected executive, but suffice to say that they succeeded in unravelling the awful tangle, both financial and otherwise, which the Club had been brought into, and restored order and method where chaos and disorder had been allowed for years to reign supreme.

The finances have been placed upon a firm and solid basis, the books have been kept up-to-date in a proper and business-like manner, and the fact that **not a single debt** is owing at the present moment and that the credit balance **is absolutely a true and correct one in every sense of the word** stands to the undoubted credit of your last year's executive. A signed receipt **can be produced** for every amount expended, and, when you come to realise the fact that the magnificent sum of £1754 (which is the greatest on record for the club) has been raised, speaks in terms trumpet-tongued for the energy displayed and also for the generous and hearty support the members of your Club so spontaneously and ungrudgingly gave on all occasions.

Constitution.

A special meeting of the members of the Club was held in the Town Hall, Richmond, on 21st of March, 1912, the President (Hon. Frank Tudor, Minister of Customs) presiding. A draft copy of the constitution was placed before them and unanimously carried. This is the first time in the history of the Club that it has a constitution.

A printed copy can be obtained from Mr. George McIntosh, assistant hon. secretary, at the annual meeting on 13th March, in the Skating Rink, or at any other time upon application by any financial member of the Club.

Beverley Football Club.

Our heartiest congratulations are extended to the Beverley Football Club upon attaining that grand ambition of every footballer—the premiership. This was won last year, the Club's performances being 18 matches won, one match lost, and one drawn. Goals for, 188; goals lost, 112. Total points for, 1392; against, 818. The leading goal-kickers were J. Irwin (29), N. Yeo (28), B. Rush (19), B. Enwright (19), R. McKendry (12), J. Lacey (11), F. Morgan (11), J. James (11).

For many years the Bevs. have waited for this eventful day, and when it did come their joy knew no bounds. As Norman Yeo and his merry boys walked off the field victorious, cheers on all sides were given and lasted throughout the day. Mr. Tom O'Brien, of the Swan Hotel, tendered the team and committee a banquet to celebrate the victory.

Richmond District F.C.

The District also won their premiership for the second time, so now it is up to the senior team to go and do likewise. The District are a very fine body of youthful footballers, and we wish to heartily congratulate them upon their great achievement.

Auditor.

Rule 18 of the Club's constitution provides that the books and accounts shall be audited by a licensed auditor. This has been done this year, and Mr. Wm. Wells' (A.I.A.V., Melbourne) certificate occupies a special page in this report.

Returning Officer

Rule 7 of the Club's constitution also provides that the annual election of Office-Bearers shall be in the hands of the Government Electoral Registrar. He has absolute power, appointing his own officials and supervising things generally; not one member of the Club's executive is allowed to interfere in any way. Mr. George Rothwell is the gentleman appointed, and every member of the Club must agree that the Club is indeed fortunate in securing his valuable services on this occasion.

Members must produce their last year's member's ticket to the Returning Officer before being allowed to vote. His decision on all points is absolutely final. Ballot opens at 7 and closes at 9 p.m, sharp in the Skating Rink on Thursday, March 13, 1913.

Mr. Tom O'Brien.

Although only residing in Richmond for about two years, Mr. Tom O'Brien, of the Swan Hotel, has made himself very popular with all sections of the community. His assistance to the Football Club has been invaluable, and when our boys beat South Melbourne on the Richmond ground he tendered the team and committee a grand banquet in honor of the event. He also gave the Beverley team a dinner in recognition of their winning the Metropolitan Amateur Football Association Premiership. Tom O'Brien is one of the best, and intends throwing his heart and soul into the Club again this year. He accompanied the team on their first inter-state trip to Tasmania, and did an immense amount of good, helping in a material manner to make the trip enjoyable.

Performances of Our Team.

Our team's performances last year were very good under exceedingly trying circumstances. We had to place a new team into the field practically, as a lot of old players were absent from various reasons. However, we have replaced them with sterling juniors and patriotic club-men who are going to be a credit to our Club. We had a lot of accidents last year, notably our captain, Ted Ohlson. This fine player was hurt for practically three parts of the season. Ted Farrell, vice-captain, also got into the wars and had to lay up on no less than eight occasions. This was a severe handicap to have both the "heads" away at the one time. We are not going to say we had hard luck or blame the umpire for not winning more matches; we were honestly and fairly beaten by better teams. But this year we intend giving them all a "go." Our team won three matches and lost 14. We had a fine win in Tasmania, mention of which is made else-

where. Our goal-kickers were Ted Keggin (22), Clarrie Hall (10), Hughie James (8), Charlie Wells (5), Charlie Bennie (5), Victor Thorpe (5), Arthur Allen (4), Percy Ellingsen (4), Percy Maybury (4), Bernie Herbert (4), Wm. Jones (3), Harry Walker (3), Billy Burns (2), Les. Oliver (2), Arthur Danks (2), Tom Heaney (2), Percy Smith (1), Ted Farrell (1), Ted Ohlson (1), Ben Sheppard (1), and Hogan (1).

Life Membership of the Melbourne Hospital.

A life honorary membership of the Melbourne Hospital was awarded to the Club by the Victorian Football League last season. This was in consequence of their annual charitable vote. Your Committee decided to award the high honor upon the Club's hon. secretary, Cr. Geo. R. Peckham-Beachcroft for services rendered.

Club's Membership.

A record has been reached this season in the way of the Club's membership; 2258 ladies and gentlemen paid their subscriptions and followed the club through thick and thin. Their confidence could not be shaken, although they were not rewarded with many wins. However, the players are going to show them something this year, and no doubt the membership will be considerably augmented.

Supporters at Geelong.

To show their loyalty, 1000 members left their home city and journeyed to Geelong on the 31st August of last year to "barrack" for their football team. This was the greatest number of members who have ever left Richmond. Both the special train and the s.s. Edina were crowded to excess, and the sight was most gratifying. Mr. Chas. Brownlow, hon. secretary of the Geelong Club, stated that it was easily a record for the ground.

The team open their premiership matches this year at Geelong on the 29th April. Special arrangements will be made for members to accompany the team. A special train and steamer will be chartered. Early application for tickets is an essential, so get on early. The Richmond State School boys will again visit the "pivot" on that date.

Richmond Cricket Club.

Very cordial relations now exist between the Cricket and Football Clubs. Mr. Jas. Digby (president), Mr. Geo. Bird (hon. secretary), Mr. Percy Scyffarth (hon. treasurer), and the Club's Executive have done all in their power to assist your Club.

Donations.

The donations last year have been very generous, the large sum of £43 0/6 being donated, Mr. John Johnstone leading the way with £5 5/-. A very special effort is to be made this year to secure the financial support of our leading citizens.

League.

Your interests were well looked after on the Victorian Football League; a great many important matters were dealt with and a vast amount of material good done to the game. Mr. Dick Kelly (on the Permit and Umpire Committee) and Cr. Geo. R. Peckham-Beachcroft (on the Investigation Committee) attended to their duties well.

To the Premier Club.

To the Essendon Football Club we offer our heartiest congratulations at winning the premiership last year. They were indeed a brilliant combination and thoroughly deserved their win.

'Phone for Hon. Secretary.

The Committee realise that a Football Club is now or should be conducted on a business basis, and must go with the times and be up-to-date, so they decided that the hon. secretary should have a 'phone attached to his private residence. Any member can now ring up and transact business on behalf and for the Club. This will be a great boon to members, and no doubt will be very highly appreciated. The number of the telephone is Windsor 2569.

Trip to Tasmania.

For the first time in the history of the Club the players have had an inter-state trip. The promise was made by this Committee, and the promise duly carried out. Forty-three players and members left Melbourne by the s.s. Loongana on 5th August, 1912, bound for the garden isle, Tasmania. 'Twas indeed a glorious trip. From first to last it was one continued round of enjoyment. Launceston, the Cataract Gorge, Brown's River, Port Arthur (the famous convict settlement, Huonville (the apple garden), New Norfolk, the Springs, Fern Tree Bower, and Mount Wellington were in turn visited, and all agreed that it was a glorious trip. The party made Hobart their headquarters. The Tasmanian Football League, with Mr. W. Gill (hon. secretary) at its head, did all in their power to make the visitors' stay enjoyable. The whole cost was £272 9/7. The players, in appreciation, presented the Club's hon. secretary with a beautiful diamond ring as a token of esteem for services rendered as manager.

Match Against Tasmania.

The match played against Tasmania resulted in a slashing win for our boys. From first to last they played grandly, and won in handsome style by 11 goals 11 behinds to 8 goals 9 behinds.

How the Trip Was Financed.

Everybody wondered how the team was going to get to Tasmania. 'Twas a well-known fact that the Club had no money. The gates had been bad, and the team was losing. A noble band of patriotic citizens sprang into the breach and advanced the Committee the splendid amount of £360 as a loan for the trip. These names will become historical, so it is just as well that they should be known. They are as

follow:—Hugh Slattery, £5; A. Aarons, £25; Richard T. Kelly, £25; J. H. Archer, £25; Alfred Tietgens, £25; Wm. Sheppard, £25; Wm. Maybury, £25; G. R. P. Beachcroft, £25; William Burns, £25; Dan Donnelly, £25; Dave Henry, £25; Wm. Malone, £25; Tom O'Brien, £80, making a grand total of £360. These amounts have all been repaid to the above-named gentlemen. They have earned the eternal gratitude of the Committee for their generosity in coming to the help of the Club at such a critical juncture, but it only goes to show that there are plenty of genuine sportsmen in our city who will always come forward and support an organisation when they know that it is run on good and proper lines.

New Players.

Following out their policy of building the Club up from junior ranks, the Committee tried a large number. They succeeded in unearthing six "stars," namely, Arthur Danks, Ted Keggin, Dave Moffatt, Percy Ellingsen, Harry Walker and Allan O'Donoghue. The young boys all made good, and great deeds are confidently prophesied of them this season.

Time-keeper.

Mr. Walter Baker, hon. time-keeper, carried out his duties conscientiously and well last season. Special attention is drawn to the item on the expenditure side of the balance-sheet, £5 5/- for watch. This sum represents the amount paid for the purchase of a new watch for time-keeping purposes, the previous time-keeper for the Club having stated that the watch he held was given to him by the previous Executive. This statement we challenged, but we have been unable to obtain possession of the watch.

Footballers' Cricket Club.

Following up their policy of affording social enjoyment for the players during the summer months, the Committee founded a Footballers' Cricket Club. This club entered for the third grade Victorian Juniors' Cricket Association. The experiment has been an unqualified success, and it is almost a certainty that they will win the first prize, having suffered only one defeat, and that one is still in doubt. The team have up to the present played 10 matches, won eight, drawn one, and one match not yet settled, being under protest (rule 7 of the Executive Committee). The leading batting averages are as follow:—L. Crook: Highest score, 88; aggregate, 265—average, 24.1. J. Cole: Highest score, 77 not out; aggregate, 259—average, 23.3. E. Ohlson: Highest score 59 not out; aggregate, 120—average, 17.3. P. Maybury: Highest score, 31; aggregate runs, 130—average, 10.5. Bowlers: E. Ohlson, 46 wickets; average, 4.5 per wicket. F. Golden, 14 wickets; average, 7.5. R. Golden, 20 wickets; average, 7.10. L. Crook, 27 wickets; average, 9.23.

Special attention is drawn to the fact that admission is obtained to the Annual Meeting upon presentation of last year's members' ticket or upon payment of 6d. A fine series of pictures will be shown and musical items rendered under the personal supervision of Mr. Jack Archer (musical director) and Walter Carkeek (hon. pianist to the club).

The Merrymakers.

This is a social club which was founded last season by a few enthusiasts. Picnics have been held at the seaside and a most enjoyable time experienced. Mr. William Sheppard is the permanent hon. secretary, and he always keeps things going in great style.

Captain and Vice-Captain.

Ted Ohlson as captain and Ted Farrell as vice-captain had a very obedient team to handle last season, and it was not their fault that the team was not higher up the premiership list. Ted Ohlson was particularly unfortunate in being hurt for practically three parts of the season.

The Ball.

This was an event which marked an epoch in the Club's history. A meeting of all the leading citizens was held in the Town Hall, the chair being occupied by the Mayor of Richmond (Councillor George Admans, J.P.). Enthusiasm of the very highest character was shown, and it was unanimously decided to hold a ball in the Town Hall, Richmond. Prices of tickets were fixed as follow:—Doubles, 7/6; gent's singles, 4/6; ladies' singles, 3/6. The Mayor was appointed chairman; Mr. Walter Bleach (city paymaster), hon. secretary; Mr. James McDonald, hon. treasurer; Mr. William Sheppard and Councillor Wm. Gleadell, joint M.C.'s, and a powerful and representative committee of leading citizens were appointed on the committee. When the eventful evening arrived, a burst of delight and astonishment came from the dancers. The decoration committee, under the presidency of Mr. Jas. Digby, J.P., had done their work well; it was just like a fairy land. The main features of the ball were the floral sets. These consisted of the Folly, Rose, Matrons, Forget-me-not, Violet and Tennis. The Mayoress (Mrs. Admans) had gone to a lot of trouble, and the result exceeded her best expectations. As the sets marched around the hall to the strains of an inspiriting march played by Grunberg's Band the effect was most beautiful. The ball reflects the greatest possible credit upon Mr. Bleach and his energetic committee, and it was unanimously agreed that it was the best function of its kind held in Richmond for over 12 years. A sum of £63 was raised through the sale of tickets, and a profit of £4 resulted. It was unanimously decided to present Mr. Bleach with a present for the splendid manner in which he acted as hon. secretary.

The Club's membership totals 2258, which is a large increase on previous years. Now, when you are joining, influence your friends to join and make your Club, from a membership point of view, the most powerful one in the League.

Social Evenings in Club Room.

An athletic evening, a progressive euchre party, social, and dance were held in the Club's training-room during the past year, and each one proved most enjoyable. It is intended to form a social club this season and have a dance once a month.

Dinners to Players.

Four dinners were tendered the players last season at Matoorekos', in Melbourne, and each one was very much appreciated; the one given by Messrs. Jack Archer and Will Sheppard especially so.

Theatre Nights.

Eleven picture theatre nights were held, Geo. McIntosh being hon. secretary and Mr. Alec Stevens chairman. These also proved very enjoyable, besides bringing in a large amount of revenue to the Club's funds.

Hon. Masseur and Medical Attendant.

Mr. Dave Beck as hon. masseur and Mr. William Driver as hon. medical attendant deserve our very best thanks for the manner in which they attended to the hurts of the players.

Press.

Our very best thanks are here tendered to the local press, the "Guardian" and "Australian." We have received nothing but courtesy and kindly attention at their hands. At all times they have done everything in their power to help us along, and the Committee feel very grateful for their loyal assistance.

Life Members.

The Committee, in accordance with rule 25 of the Club's constitution, decided to confer the dignity of Life Membership upon Messrs. Jack Archer and William A. Maybury. Both of these gentlemen fairly deserve the honor. Mr. J. Archer has been connected with the Club as member of committee, chairman of committees, and in other capacities. His support and connection with the juniors have made him popular, and it can safely be said that "Jack" can persuade any junior to join the senior ranks. William Maybury is almost too well known to require a eulogy, for he has been connected with the Club since Frank Hyde, Bob Mitchell, Frank Harcourt and Jim McCoughtry played in the brave days of old in the Richmond paddock. Since then he has acted as hon. secretary, chairman of committees, delegate to Victorian Football Association, and has seen the membership rise from 89 to 2258. Last year he was elected top of the poll with a record vote of 928, and as hon. treasurer to the bazaar held by the Club last year put in an amount of work which shows his keen enthusiasm, and, like Johnny Walker, he is "still going strong."

Donations to the Local Junior Clubs.

The Committee distributed the large amount of £24 10/- between the junior football clubs of Richmond last season. This, we think you will agree, will meet with your hearty approbation. The following letter from the Beverley F.C. is worth a place in this report: it speaks for itself:—

304 Swan-street, 27/2/13

G. R. Peckham-Beachcroft, Hon. Secretary Richmond Football Club.

Dear Sir,—As requested, I am forwarding to you the performances of our club last season (1912). I also wish to take the opportunity of referring to the good feeling which prevails between the committee and players of the Beverley and Richmond Clubs; also the kindness of the senior club in forwarding us a donation of ten guineas, and, in addition, the invitation to three of our players to join you in the trip to Tasmania in August last. I am very pleased to say a better understanding never existed, and hope that the present good feeling may long continue, and that your club may benefit by the same.

(Signed) W. H. LOHSE, Hon. Sec. Beverley F.C.

Mr. James Macdermott

Mr. James Macdermott, who was elected hon. treasurer, is not seeking office again this year. He is secretary of the Foresters' Lodge, trustee on Grand Lodge, secretary of the lodge cricket team, and other many duties, so finds he cannot devote the time to the Club. He is retiring with the very best thanks of the Committee for the very able manner in which he carried out the duties of hon. treasurer.

Books of the Club.

Acting under instructions from the Committee, Mr. Jas. McDermott and your hon. secretary waited upon the late hon. treasurer of the Club (Mr. A. McNair) and asked for the Club's books. These Mr. McNair refused to hand over. The matter was placed in Mr. Blair's hands, the Club's solicitor, and in reply to a communication sent by him a representative of Messrs. Whiting and Aitken (solicitors for Mr. McNair) informed Mr. Blair that Mr. McNair had burnt the books. This is only one of the many difficulties your Committee have had to contend with, and further comment is needless.

Eucalyptus Oil.

Our best thanks are due to Messrs. J. Bosisto and Co. for their generous donation of eucalyptus oil last season.

Bazaar.

Owing to the very heavy expenditure during the season it was decided to hold a bazaar. This was successfully carried out in the Town Hall, Richmond, from November 16 to 30. Mrs. Hyland and Mrs. J. Jackson acted as lady hon. secretaries, Mr. William Maybury as hon. treasurer, and your hon. secretary as general hon. secretary. The large

amount of £653 10/- passed through their hands, and the splendid profit of £374 8/1 was realised. The members of the Club supported the project generously, and our best thanks are due to them. The general public presented the bazaar committee with handsome presents, and, on these being raffled, were the means of adding to the fund considerably. Our best thanks are accorded to them. At a subsequent date Mrs. Jackson and Mrs. Hyland were presented with a beautiful gold bangle each for the hard work performed as lady hon. secretaries.

Pony.

Mr. Ted Farrell, our worthy vice-captain, presented a fine upstanding chestnut pony to be raffled; this resulted in the fine sum of £118 being added to the bazaar fund.

Trainers and Coach

The trainers and coach performed their work in a most creditable manner, and did all in their power to advance the Club's interests.

Head Trainer.

Mr. Joseph Stokesbery was appointed head trainer, and it can be safely said a wiser choice was never made. He worked day and night, always with a cheery smile. He was the life of the party in Tasmania, and the manner in which he guarded the Club's property was excellent, although he did not have a single guernsey or football material of any kind to start the new season with. By some means they had disappeared from the Club's training-room, and the members can judge for themselves where they went. This season he has stowed away under safe lock and key the following:—47 towels, 17 pairs blue knickerbockers, 24 jerseys, 16½ pairs stockings, six blankets, one punching ball and gloves, one football, one inflator, and one clock. This will always stand to Mr. Stokesbery's credit.

Committee Meetings (General).

Twenty-nine meetings were held, and members attended as follows: G. R. Peckham-Beachcroft, hon. secretary, 29; J. H. Archer, chairman, 28; W. Maybury, 26; A. Aarons, 26; G. McIntosh, assistant hon. secretary, 26; T. Broughton, 23; A. Edmonds, 23; A. Tietgens, vice-president, 18; A. Stevens, vice-president, 17; G. Dando, 17; R. T. Kelly, 17; W. Burns, 13; R. Bowden, 9.

Finance Committee.

Fourteen meetings were held. J. H. Archer, chairman, 14; W. Maybury, 14; R. T. Kelly, 14; Jas. MacDermott, hon. treasurer, 13; G. R. Peckham-Beachcroft, hon. secretary, 14.

Match Committee.

Eighteen meetings were held. A. Edmonds, 16; R. T. Kelly, 14; E. Ohlson, captain, 14; E. Farrell, vice-captain, 13; G. R. Peckham-Beachcroft, hon. secretary, 14.

Training Prizes.

Last season several gentlemen came forward and presented training prizes to the players, and the following was the result:—Vic. Thorpe, gold medal, presented by Mr. Tom Donoghue. Sid. Reeves, gold medal, presented by Mr. Tom Donoghue. Bob Bowden, trophy, presented by Mr. Tom Donoghue. Percy Maybury, trophy, presented by Mr. Ted Ohlson. Ted Keggin, trophy, presented by Mr. Percy Scriven. Arthur Danks, trophy, presented by Mr. Alf. Tietgens. Charlie Bennie, trophy, presented by Mr. Jos. Stokesbery. The Committee wish to heartily and sincerely thank these gentlemen for their generosity. The competition for these trophies was very keen, and great interest was manifested as to who would be the ultimate winners. A large number of trophies are already promised for this season, including one from Mr. W. McMinn, Swan-street.

Ticket Agents.

The Committee wish to heartily and sincerely thank those gentlemen who sold the season tickets. On all occasions the returns were handed in promptly, which has enabled the Committee to make up the members' roll so completely that every ticket has been accounted for to the entire satisfaction of the auditor.

Assistant Hon Secretary.

George McIntosh, as assistant hon. secretary, carried out his duties in a most thorough and earnest manner, and the Club is indeed fortunate in possessing such an enthusiastic and hard-working assistant secretary.

Mr. Malone.

Mr. William Malone returned to the fold once more, and received a very hearty welcome. The Committee restored his name to the list of vice-presidents, which had been dropped in the past. His famous black bag was always to the fore, and Mr. Malone's smiling face was always a feature in the Club's dressing-room.

Mr. W. Tuck.

Mr. Tuck volunteered his services as assistant trainer during the season, and the Committee wish to thank him very sincerely.

List of Nominations for Office-Bearers—President, Vice-Presidents, Hon. Secretary, and Hon. Treasurer.

The following nominations have been received for the different positions on the Club's Executive for season 1913:—

President—Hon. Frank Tudor (unopposed).

Ballot papers for all the above will be handed to financial members on the night of the Annual Meeting, 13th March.

New Players.

The Club is in a most prosperous position as regards new players. Willie Mahony, the brilliant and accomplished rover has returned, and should prove a tower of strength to Bernie Herbert and Hughie James. From the Beverley the seniors will draw largely. Norman Yeo is more than a possibility. With him in the team it is strengthened at once, both from a social as well as from other points of view. Jack Irwin, Norman McDougall, Freddie Morgan, Arthur Heath, and Ned Richardson will most likely follow their old and trusted leader. 'Tis well, perhaps, to mention here that Mr. W. Lohse, the Bevs. successful hon. secretary, is an aspirant for a seat upon your Committee. Prominent juniors from Geelong, Wonthaggi, Ararat and from the metropolitan area will be given a trial, and there is no possible doubt that the Club will have a most successful and enjoyable season.

It only needs now for the players, committee and members to work hard and by hearty and enthusiastic co-operation bring our Club into the most prominent position upon the premiership list.

We are, on behalf of the Committee,

J. H. ARCHER, Chairman.

GEO. R. PECKHAM-BEACHCROFT, Hon. Secretary.

NOTE.

A copy of this Report and Balance Sheet is forwarded to each member of the Club. Extra copies may be obtained from the Hon. Secretary at 1/- each.

I certify that I have examined the Accounts of the Richmond Football Club in respect to this Statement marked "A" for the season 1912, and find same to be in order. The books containing the records of the Club's affairs up to the close of last season have not been submitted to me, owing, I understand, to the fact that same have been destroyed.
